**Please read carefully the following:**

1. I have enrolled in a program of instruction in the Pilates Method offered by The Pilates Center. I have been advised and I understand that participation in this program presents some unavoidable risk of injury, especially to people who have pre-existing injuries, illnesses, or medical disabilities. I understand that the use of exercise equipment also carries with it a risk of injury. I have and I will continue to keep The Pilates Center fully informed of any physical condition or disability which would prevent or limit my participation in the program.
2. I agree to comply with all the rules and directives, delivered orally or written, of the program as outlined in the training brochure, printed and online materials and lectures.
3. I acknowledge that The Pilates Center Client Intake Form has been fully and correctly completed by me, and that all information provided on that form applies to this program as well, including but not limited to the waiver of liability and informed consent release. I understand that I participate in this program at

my own risk and agree to release The Pilates Center, its officers, and representatives from any and all liability resulting from any form of personal and /or physical injury incurred during any movement lessons or procedures performed while a participant in the program or while in The Pilates Center facility.

4. State laws may vary with regard to the uses or application of the movement lessons and/or procedures taught in this course. I acknowledge that I must make my own inquiry regarding the uses or applications of the movement lessons and/or procedures taught in this course. The Pilates Center, its officers, and representatives make no representation or warranties concerning the uses or application of the movement lessons, and/or procedures taught in this course other than that the course is fully accredited by The Pilates Center, and that the course curriculum satisfies the requirements for accreditation by The Pilates Center.

5. I understand that I have twelve months (12 months) to complete The Pilates Center Teacher Training Program. I understand that should a circumstance arise that would not allow me to complete the program in twelve months, I have the option to take a leave of absence (go "on hold") for up to one year, or purchase a one month extension that will be valid (30 days) from the date of purchase.

I understand that if I go on hold all my trainee benefits cease. To go on hold I must be current with all Teacher Training Program payments and have a zero, or positive, balance for studio lessons. Based on the length of time on hold, I may be required to purchase and perform a Re-entrance Evaluation. Once the on hold period is completed, I am aware that I will resume the program where I left off. Should any pricing change during my leave, I am responsible to pay the cost of the current prices.

Should I elect to purchase an extension, my trainee benefits continue and I may attend the Formal Lecture series a third time for half price. I may purchase multiple extensions if needed. I understand that if my program expires I must purchase an extension or I will automatically be withdrawn. If I fail to successfully complete my program in one year (and do not go "on hold" or purchase an extension), I will not be awarded a diploma.

6. If satisfactory progress is not being made it is grounds of dismissal. Refer to Catalog page 21.

7. I understand that all exams are pass/fail with the passing mark at 85%. Any failed exam must be repeated, in order to continue my education program at TPC and I am responsible for paying a separate fee to repeat the exam as outlined in the "Examination Process" online.

8. I understand that my use of all materials, oral or written, presented in The Pilates Center Bridge Intermediate Teacher Training Program is governed by the Intellectual Property Terms of Use, which I have read and signed.

9. The Pilates Center reserves the right to terminate any student from the program at any time. In the event that a student is terminated from the program, The Pilates Center shall refund any unused training program money based on the Refund Policy below.
10. Postponement of a starting date, whether at the request of the school or the student, requires a written agreement signed by the student and the school. The agreement must set forth:
  1. Whether the postponement is for the convenience of the school or the student, and
  2. A deadline for the new start date, beyond which the start date will not be postponed.

If the course has not commenced, or the student fails to attend by the new start date set forth in the agreement, the student will be entitled to an appropriate refund of prepaid tuition and fees within 30 days of the deadline of the new start date set forth in the agreement, determined in accordance with the school's refund policy and all applicable laws and rules concerning the Private Occupational Education Act of 1981.

## Refund Policy

- A. The student will receive a full refund of tuition and fees paid if the school discontinues a course/program within a period of time a student could have reasonably completed it, except that this provision shall not apply in the event the school ceases operation.
  1. Students not accepted to the school are entitled to all moneys paid.
  2. Students who cancel this contract by notifying the school within three (3) business days are entitled to a full refund of all tuition and fees paid.
  3. Students who withdraw after three (3) business days, but before commencement of classes, are entitled to a full refund of all tuition and fees paid except the maximum cancellation charge of \$150 or 25% of the contract price, whichever is less.
- B. Attempting to resolve any issue with the School first is strongly encouraged. Complaints may be filed at any time online with the Division of Private Occupational Schools (DPOS) within two years from the student's last date of attendance at <https://higher.ed.colorado.gov/dpos>, 303-862-3001.
- C. All refunds will be made within 30 days from the date of termination. The official date of termination or withdrawal of a student shall be determined in the following manner:
  1. The date on which the school receives written notice of the student's intention to discontinue the Program - accompanied by copies of the student's internship log - or the student's last date of actively being present at the studio (or "home studio") and participating in Internship duties or attending lectures.
  2. The date on which the student violates published school policy which provides for termination.
  3. Should a student fail to return from going "on hold", the effective date of termination for the student is the earlier of:
    - 1) the date the school determines the student is not returning, or
    - 2) the day following the expected return date.

D. In the case of students withdrawing after beginning the program, the school will retain a cancellation charge of \$150 or 25% of the tuition amount whichever is less plus a percentage of tuition and fees, which is based on contact hours, as described in the tables following. The refund is based on the last date of recorded attendance, and is applied by quarters for the education program.

E. The Pilates Center does not accept previous credits from any other non-TPC training facility. Therefore, any previous training completed by a student will not affect the refund policy.
